

Take It Easy Custom Luxury Yacht Charters

Passports

Passports are required if you plan on visiting the British Virgin Islands.

Towels

We do not provide towels so it's a good idea to bring them with you for laying on the yacht, at the beach, getting out of the water, etc.

Cameras

Bring your cameras or smartphone to capture all of the fun and action as you tour the beautiful VI. Be sure to capture images of turtles, fish and other tropical marine life that swim your way!

Hats, Sunglasses, Cover-ups or T-Shirts

You want to avoid getting a sunburn in the Caribbean sun so be sure to protect your face and skin from the harmful effects of the sun.

Flip-Flops

Flip-flops are easy to kick off when you've got your toes in the sand!

Snorkel Gear

Bring your own snorkel gear if you prefer to use your own. If not, we provide snorkel gear on board for everyone to use.

Food and Drinks

We provide snacks and drinks while onboard our yachts Take It Easy and Take It Easy 2. Drinks include our famous Take It Easy Rum Punch, cocktails or other drink requests you may have!

Infant Life Vests

If you have an infant or young child under 30 lbs., please bring an approved infant/child life vest. We do not carry infant life vests on our boats. Life vests we provide by law are designed for passengers weighing more than 30 lbs.

Music

Bring your MP3/iPod/smartphone with your playlists to plug into our state-of-the-art sound system. Our crew can also provide the perfect Caribbean music as you sit back, relax and take it easy!

Extra Cash

For souvenirs, lunch, customs fees and of course, gratuity for Take It Easy's five-star crew who works hard to make sure you have a safe and great day. Please tip accordingly.

Cell Phone Service

Most major carriers provide cell phone service in the US and BVI, so you can stay connected with friends and family on social media posting about your terrific vacation aboard a Take It Easy Charter Cruise! We encourage you to check with your carrier first to see if additional rates or roaming charges apply.

Special Note About Sunscreens

We provide a wide variety of cream sunscreen for guests ranging from high to low SPF to help keep you protected. We do not allow aerosol sunscreens, spray-on sunscreens or Coppertone-brand sunscreens on our boats. These types of sunscreens make the deck and everything it touches very slippery. These products also tend to stain boat upholstery, fabrics and cushions. Thank you for understanding.
